ADA CERP® | Continuing Education
Recognition Program

The James B. Edwards College of Dental Medicine at MUSC is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The James B. Edwards College of Dental Medicine at MUSC designates this activity for 1 hour of continuing education credit.

Concerns or complaints about a Continuing Education (CE) provider may be directed to the provider or to the Commission for CE Provider Recognition at ADA.org/CERP.

Changing What's Possible
