The MUSC JBE College of Dental Medicine is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The MUSC JBE College of Dental Medicine designates this activity for 6.0 hours of continuing education credits. The objective of this course is to provide current oral health information about patients with special needs to the dental professionals in SC. With this collaboration, our goal is the reduction of oral health disparities and achieving a better quality of life for this special and very vulnerable segment of our population. It will offer a combination of lectures, visual presentations and Q&A sessions.

REGISTRATION: (Please make checks payable to “MUSC Foundation.”)
